MEMORANDUM TO: All Chiefs of Police and

Chairs, Police Services Boards

FROM: Stephen Waldie
Assistant Deputy Minister
Public Safety Division and Public Safety Training Division

SUBJECT: **Basic Constable Training Program and Senior
Specialized Course Fees**

DATE OF ISSUE:	September 4, 2019
CLASSIFICATION:	General Information
RETENTION:	Indefinite
INDEX NO.:	19-0067
PRIORITY:	Normal

As you may be aware, the province has undertaken a financial review to ensure that communities can continue to receive modern, cost-effective, and high-quality services on a sustainable basis. In connection with this goal, the Ministry of the Solicitor General (ministry) is communicating important updates to the training portfolio.

Policing has become more complex and officers require the appropriate training to support their duty to protect our communities both today and tomorrow. Currently, the ministry covers a significant portion of the cost of the Basic Constable Training program as well as Senior Specialized Courses.

To ensure the Ontario Police College's future sustainability as a superior educational institute for all police services and the broader law enforcement community, the ministry will implement the following change to police training fees **as of January 1, 2020:**

- The fee for the Basic Constable Training program will increase from \$11,065 to \$14,550 per student. The new fee will apply to all recruits attending the January 2020 intake.

- The ministry will implement a Standardized Fee Structure for Senior Specialized Courses. The proposed structure will have a varying degree of impact on different courses – please see **Appendix A** for further information on the new fee structure.

Once the increases are implemented, the fees will remain competitive with programs offered by other training institutes.

The ministry is committed to providing our men and women in uniform and frontline personnel with the necessary tools and resources they need to do their jobs to keep Ontario communities safe.

We will continue to improve overall efficiencies and provide increased support to frontline staff, while contributing to an integrated justice system that serves all of Ontario's diverse communities.

Thank you for your continued support.

Sincerely,

Stephen Waldie
Assistant Deputy Minister
Public Safety Division and Public Safety Training Division
