

The Municipality of Leamington

has prepared a Stormwater Master Drainage Study
for Reid Drain (ERCA), Silver Creek (ERCA) &
Big Creek (LTVCA) Watersheds

- A public open house has been scheduled to present the study information, mapping & draft policies

Date: Wednesday, October 9, 2019

Time: 6:00 PM to 8:00 PM

Location: Leamington Municipal Building, 111 Erie St. North, Leamington ON

- study evaluated overall watershed drainage system, assessed impact of potential future development & identified stormwater management design criteria
- study findings will be implemented through development approvals, an Official Plan Amendment & Conservation Authority permissions
- Further opportunities for public comment will be available in the future

"LTVCA helps to ensure a sound basis for development within &/or adjacent to natural hazard areas & vulnerable areas that would otherwise jeopardize public health, incur loss of/or damage to property & hardship on the public"
